

Email Extinguisher:

Put Out the Fires and Rescue Your Time

Stop letting your inbox run your day.

This session offers participants practical settings, communication norms, and email habits to shrink noise and make faster decisions with less stress.

WHY IT MATTERS: Lower cognitive load.
Clearer priorities. Fewer costly misfires.

**“...like church to me
saying “amen” &
“hallelujah” after each
statement”**

I've seen major improvements and left feeling validated, with tangible tools to improve my day-to-day. Your training felt like church to me saying, “amen” & “Hallelujah” after each statement.
